**A guide to how we meet the requirements of the Data Protection Act.**

**Making sure personal data is secure and properly dealt with is of paramount importance in our dealings with you. It is therefore important you understand what information we will take, why we need it, and how we will process your details.**

#### **Who will process my data?**

**Roberts McBain Mortgage and Finance Ltd is an appointed representative of HL Partnership Limited which is authorised and regulated by the Financial Conduct Authority. As such, both Roberts McBain Mortgage and Finance Ltd and HL Partnership Limited will process your data in order to provide our services.**

#### **What data will you ask me for?**

**In order to fully understand your financial needs and be able to give good advice, we need to obtain information about you, your family, your personal circumstances, and your preferences. Some of the information will be private and may be sensitive, such as details of your income and expenditure, health, debts and credit commitments, legal proceedings and adverse credit. Much of the information you provide will need to be passed on to the companies whose products you apply for.**

#### **Do I have to provide my personal data?**

**In order for us to be able to give you suitable advice, we need you to provide all the information we ask for as openly and honestly as possible. If you prefer not to disclose some information, please tell us that you prefer not to disclose it and we will assess whether this will alter or impede the work we are doing for you.**

#### **How will you use my data?**

**1. The primary reason we will use your data is to allow us to do the job you've asked us to do. Specifically, we will use your data to:**

- Inform you about products and services we think may be suitable for you (unless you ask us not to send you this information).**

**2. We may also process your information in order to meet our legal and regulatory requirements. These may include:**

- Complying with the regulations set out by the Financial Conduct Authority and other regulators as required;**
- Preventing financial crimes such as money laundering and fraud by passing your details to other relevant bodies such as the police and National Crime Agency where required.**

**3. We may also process your personal data for our own legitimate interests. Typically, these would be limited to:**

- **Analysing our business for trends and research how we can improve our services to customers;**
- **Reviewing the work we have carried out for you to ensure we have met the regulations and quality standards;**
- **Ensuring we are able to exercise or defend legal challenges in the future.**

**4. HL Partnership Limited will use your data to monitor and assess our work to ensure we have provided a high standard of service and met our legal and regulatory commitments.**

**How long we will store your data?**

**We will only keep your personal information as long as necessary. How long that is depends on the type of data and the nature of the work we have carried out. In most cases, your personal data will be stored for an indefinite period as we need to keep evidence that we have fulfilled our legal and regulatory requirements.**

**Can I see a copy of my personal data?**

**Yes. Please write to our Data Controller (details below) and we will provide a copy of any personal data we hold about you within one calendar month of receiving your request. Please note that we may need to verify your identity before providing the information.**
